

## Choose Life Maine ... it matters

*Will you help Choose Life Maine qualify a pro-life license plate for Maine's roads, building a culture of life and providing an ongoing fundraiser for Maine's Pregnancy Support Centers?*

### *What is the potential benefit to the Pregnancy Support Centers?*

*The State will allocate \$10 from the annual renewal fees for each CLM specialty license plate to CLM. That's \$20,000 (2,000 x \$10) annually that will be allocated 100% to the Pregnancy Support Centers from CLM identified in annual Maine Right to Life Resource Directory. The more license plates in circulation, the more money the centers will receive. Example: 3,000 plates = \$30,000 allocated, 4,000 plates = \$40,000, etc.*

***Choose Life Maine is a nonprofit organization under IRC Section 501 (c )(3) and a Public Charity under IRC Section 170 (b) (1) (A) (vi).***

*To qualify a CLM license plate in Maine, CLM must first obtain 2,000 prepaid orders. The initial order is \$25.00. Once we have 2,000 orders, CLM submits an application with all names & money to the Secretary of State who in turn prepares a bill for the legislature. If the Legislature and the Governor approve, the State will provide you with a voucher redeemable for a CLM license plate at your local Bureau of Motor Vehicles office. If the Legislature or the Governor rejects the legislation your money will be refunded by CLM.*
