

Choose Life Maine ... it matters

In Maine there are license plates with birds, ducks, fish, moose, lobster, bears, horses, dogs & cats but none for the unborn baby. Now we can help save the baby humans with a pro life license plate from Choose Life Maine. If you place a prepaid order for our license plate design you will be helping to improve the culture of life in Maine and be providing an ongoing fundraiser for Maine's Pregnancy Support Centers?

What is the potential benefit to the Pregnancy Support Centers?

The State will allocate \$10 from the annual renewal fees for each CLM specialty license plate to CLM. That's \$20,000 (2,000 x \$10) annually that will be allocated 100% to the Pregnancy Support Centers from CLM identified in annual Maine Right to Life Resource Directory. The more license plates in circulation, the more money the centers will receive.

Choose Life Maine is a nonprofit organization under IRC Section 501 (c)(3) .

To qualify a CLM license plate in Maine, CLM must first obtain 2,000 prepaid orders. The initial order is \$25.00. Once we have 2,000 orders, CLM submits an application with all names & money to the Secretary of State who in turn prepares a bill for the legislature. If the Legislature and the Governor approve, the State will provide you with a voucher redeemable for a CLM license plate at your local Bureau of Motor Vehicles office. If the Legislature or the Governor rejects the legislation your money will be refunded by CLM.
