

Choose Life Maine Specialty License Plate Prepaid Order Form

You can help to save the lives of unborn babies by encouraging expectant mothers to choose life for their baby simply by putting a pro-life license plate on your vehicle. The gentle message to Choose Life accompanied by the smiling faces of children may be just the message needed by the woman troubled by an un-expected pregnancy and is driving the car behind you. Spread the Gospel of Life simply by driving your car.

“Whoever receives one such child in my name receives me.” Mark 9:37

But before the State will make a Choose Life Maine specialty license plate available we need your help to qualify the license plate with the Secretary of State by placing a prepaid order for the license plate. The state requires we obtain 2,000 prepaid orders.

When we have the necessary orders, we will submit a formal application with all the names & money to the Secretary of State, who in turn prepares a bill for the Legislature. If the legislation passes the Bureau of Motor Vehicles will mail you a voucher redeemable for a CLM license plate at your local BMV office. If the legislation fails your money will be refunded by CLM.

MAINE’S PREGNANCY RESOURCE CENTERS BENEFIT *All specialty license plates have an annual renewal fee and from those fees the state keeps a portion and returns a portion to the license plate’s sponsor. CLM will allocate 100% of the funds it receives between Maine’s Pregnancy Resource Centers identified in the annual Maine Right to Life directory.*
